MUSIC OUTREACH PROGRAM

Festival Chorale of Fairfield Glade is an ecumenical church choir that presents two large choral works each year, a Christmas and late spring program. The purpose of this ensemble is to give area residents an opportunity to come together with other churches and rehearse and perform sacred literature.

The ensemble rehearses on Saturday mornings at 10:30 A.M., September-December and February-May. Other opportunities occasionally arise for this ensemble throughout our community as outreach activity. Participation in this ensemble is for those who love music and enjoy sharing the life of Jesus Christ through music.

Music to Comfort is a service offered for homebound, hospitalized, or nursing home residents. This service is based on individual requests from caregivers who identify types, particular artists, era music that was/is favored by the patient, particularly those affected by dementia and Alzheimer's. CDs will be produced (free-of-charge) so that the patient can be comforted through listening to familiar music which they have enjoyed in the past.
